“ *Barbara was a lovely person with a sunny personality and as such, was a regular member of our neighborhood's Girls Nights Out dinners every month.*

Because of her interest in current events Barbara was delightful to debate politics with, especially during election years. We agreed on precious little politically, but I enjoyed discussing our different viewpoints because Barbara could talk about her own without demeaning mine. She was thoughtful and very sharp.

I will miss Barbara's smiling face and her sweet and intelligent personality.

Our deepest sympathy to Ron and his family for their profound loss, Anu and Marty Roots
