“ Dear Uncle John, Dana, Kira and I want to extend our deepest sympathies and prayers to you regarding the passing of Aunt Bea. She was a wonderful woman and she will be greatly missed. I remember when I about 8 years old, you and Aunt Bea bought me this huge model of a Formula 1 Race Car for Christmas. The box was about 3 feet long and I remember Aunt Bea groaning from the weight of the box when she handed it to me. She said: Wow! There must be a real car in there! (I thought there was!). Anyway, when I wrote you both a "Thank You" note, I addressed it to Uncle John and Aunt Bee. I remember my Dad saying that I spelled her name wrong and we argued about it until I realized it was short for Beatrice. I have many good memories of Aunt Bea. Especially her love for all your dogs named "Snowball". You and Aunt Bea are in our prayers and thoughts. Have comfort that she is with her family in heaven and watching over us all. Please take care of yourself and don't hesitate call for anything. All our love, Mark, Dana and Kira Hynson
