

Ben Ray Watson, Jr.

December 30, 1972 - October 21, 2024

Ben Ray Watson, Jr. "Ben" of Troutman, North Carolina, formerly of Mooresville and Charlotte went to live the eternal dream on October 21, 2024.

Ben was recently inducted into the National Wrestling Hall of Fame highlighting his three decades of coaching. While earning over 600 career wins, two team state championships, and sponsoring Fellowship of Christian Athletes he was a mentor to hundreds of young men. The parents of his wrestlers became more than spectators of a sport he led. These parents became dear friends of his entire family.

Ben believed it was paramount to make lasting memories: enjoying Lake Norman with his family, taking cruises with his wife, golfing with friends, celebrating holidays with extended family, and playing in the sand during lots of beach vacations with his grandchildren.

Ben was preceded in death by his father, Ben "Ray" Watson, Sr.; sister, Marcey Carole Watson Cuthbertson; and daughter, Sarah Brandon Alexander.

He will be missed by his wife, Cindy Watson; mother, Emily Watson; daughter Anna Catherine Reeves and husband Logan Reeves; daughter Starr Watson; son Ray Watson; granddaughter Adeline Wilcox; grandsons Campbell Wilcox, Thompson Wilcox, and Emmett Reeves; and a host of beloved aunts, uncles,

cousins, nephews, nieces and more.

The family is receiving friends Saturday, October 26 at 1:00 p.m. at the Mooresville High School Gymnasium, 659 E. Center Ave, Mooresville, North Carolina. A celebration of Ben's life will begin at 3:00 p.m.

In lieu of flowers, memorial donations can be made to FCA of North Carolina, 4600 Marriott Dr.#120, Raleigh, NC 27612

The family would like to extend their appreciation to all the nurses, physicians and staff of Levine Cancer Center and MD Anderson. To our friends, your unwavering compassion, support and kindness will never be forgotten.

Cavin-Cook Funeral Home & Crematory, Mooresville, is serving the Watson family. Condolences may be made to the family at www.cavin-cook.com.

“ Miss Cindy, I am so sorry for your loss. Mr. Ben was such a kind, warm soul..it was obvious even as a child. I had so many fun times at your house with Sarah - sleeping over, swimming, and even watching the infamous Janet Jackson/Justin Timberlake Super Bowl halftime show together. But the strongest memory is just how much happiness and light came into your lives with Mr. Ben. What a blessing he was to everyone who knew him ❤️ Sincerely, Amber Arlen

“ Ben was a gentle giant of a man. A friend and colleague that cared about students and staff alike. I will miss him coming by the classroom, and just the simple kindness he showed to us all... even in passing in the hallway. Thank you for setting the example of what a man can achieve with faith and heart-felt kindness. With all my love to his family.

“ There is no one memory I can share that can sum up the time I was fortunate enough to know you. Growing up without a father got a whole lot easier since I met you. I could always count on you and ask for advice. It hurts so bad to know I can never call you again. It makes me angry that you are gone. Why you? You will always be my hero. I was trying to come see you last weekend to meet my Daughter. I knew you had a good reason for not answering. There was never a doubt in my mind. Thanks for teaching me how to be a man, thank you for teaching me how to be a father, and most importantly thank you for teaching me how to believe in myself. Losing your dad twice is not for the weak. You were always one of the first people I called when I had good news. Every year on father’s day I would always send you a stupid long message. I can’t believe you are gone. I know you would want me to make the best out of a bad situation. So that’s what I’m going to do. I’m thankful for the time I had with you. It took me years to even grasp what you did for me. I love you coach. P.s don’t teach anyone the “shit shot” up there.

I would like to take a moment to thank coach’s family for allowing him to serve his community the way he did. He changed so many lives. I’ve always told him if I can ever come close to leaving an impact on as many lives as he did that would be my measure of success. I love you guys

For those of you who are confused, Ray was Ben's father. He was a mess. Ben lost his father when he was 18.

HE

Ben worked with Grace Kids for 7 years! What an honor to laugh, encourage and pray for these 3rd to 5th graders with him and the rest of the dream team there! I saw him as a dad to Ray and Starr, a husband to Cindy, but after reading the last post and hearing the remarks at the funeral today, God certainly used him as a coach and teacher. Thank you Jesus, for sending sweet Ben Watson into our lives! He indeed impacted more lives in his short life than most in an 80 year life to quote Pastor Scott Raney!

Help us grieve well, with hope and with your ever present Holy Spirit to comfort us!!
