“ *Wanda and family, We wanted to let you know that we are thinking about y'all. Getting to know Ben and the rest of the family was such a comfort after our grandfather passed away. He was such an incredible man, and we were truly blessed to know him! I know Ben is up in heaven with his brothers. I realize that's a small comfort, but I'm sure my granddaddy will take care of him! We just wanted to let y'all know we are praying for y'all and thinking about you here in Texas. We love y'all.*

“ I had the honor to meet Ben Moffett in 1989. A fellow veteran who always treated me with respect as if I had served beside him. Later in our friendship he would deliver to me my wife on our wedding day. Through the years, be it at dinners at his and Wandas' home or family events that Mary and I were always welcomed to, Ben was always glad to see us. I thank God for allowing our paths to cross and will truly miss my friend always. Thank you Wanda for sharing him with me and always know like Ben, Mary and I love you too.
