“ In 1979, at the age of 9 ,I showed up on the Broome farm. Within no time I was treated like family. As if Lil John wasn't enough of a handful, all of a sudden Big Joan had two high strung youngins to deal with from time to time. Heck, what am I saying, I've seen a whole crowd of youngins at her house many a day. I know there are many people who feel this way, that is what makes her so special but, she had a way of making me feel like I was the best kid on earth. That special way of treatment extended thru the entirety of our relationship. Mrs. Joan always fed us, all of us. She would work all day but if you were around, you ate. I have made her proud and I have greatly disappointed her. She never changed the way she treated me under either circumstance. I'm proud Big Joan has been such a great part of my life! To love someone is one thing, to know you are loved unconditionally is priceless! Rest in peace Big Joan. Thank you for loving me!

“ Aunt Joan has always been a second mother to me! She is my dads sister and so I grew up very close to her. Every Friday night she would ask me to go home with her from my grandmas house so she could get my cousin- Little John to behave himself. I learned as much from her being so close in age to my father as a child could learn from anyone! She was definitely the strongest lady I've ever known! Her last 20 yrs on this earth has me feeling like I have no problems in this world because of her bravery! She was a phenomenal aunt, daughter, sister, mother, grandmother and great grandmother! I will strive to be like her the rest of my life!
