“ *I send my deepest condolences to the family and friends of Mrs. Grindstaff. While no words may ease your pain, rest assured that the pain we feel won't go on forever. John 5:28, 29 talks about a hope we have of seeing our loved ones again when they're resurrected back to life. Once resurrected, they can enjoy the promise found at Revelation 21:4 which speaks of a world in which death, tears, mourning, and pain have no place, for "the former things have passed away". Please visit our website at [jw.org](http://jw.org) if you want to learn about this beautiful hope and more.*

“ Many hours were spent by Dan and Betty at the Mooresville Soup Kitchen. They were so dependable and someone I always knew I could count on. They ministered in so many ways with their loving spirit of caring! Blessings to the family for the legacy they left. Phyllis

“ What a wonderful lady!! Betty and Dan took us under their wing as soon as we moved in next door. Treated us like family even though we were Yankees !!! We loved both of them and would do anything they needed. Got to meet all their family. I am sure her and Dan are together again but what a void in life is left with her passing. God Bless her and the family.
