“ *Linda and family I was saddened to hear of your Mom's passing. I just happened to be thumbing through to read about someone else that I thought I knew. Then I read about your Mom & also learned about Donna & your Dad (I was shocked & saddened even more). It's been so many years since I have seen any of you all. I'm so sorry for your losses. Just wanted to let you know I'd be thinking & praying for all of you. God Bless*
