“ Tina, Gaye and Dawn, So sorry to hear about your Mom. She was always very pleasant, warm and engaging to me and my family. When you think of the definition of a true lady, your Mom filled the bill. Both your parents will always have a special place in my heart. After your Dad passed and some years later we were lucky enough to have her join our extended family , I was elated when she married Uncle Donald because I knew that they needed each other and loved and highly respected each other. Though her memory slipped away from her in the later years ,her legacy lives on through her girls. Deepest Sympathy, Sincerely, John Edmiston and family
