“ *Sister Betty went to church with us when she was in Georgia. She always had the sweetest spirit. I will always cherish the times I talked with her. She always had an encouraging word. When I was going through such hard times she sent messages to help me keep going on. She left precious memories and I will miss her dearly. Rest up there Sister Betty free from pain. You've earned it. We love you soo much!*

“ I will carry you always in my heart Miss Betty. The magnitude of your genuine compassion and kindness towards others was such a gift to the World. The way that you would update friends everywhere with notices of any job opportunities, weather alerts, where to find good food, good music and you always shared a spiritual uplift message. You were so thoughtful, looked to everyone's best interest. You enriched my life.
My deepest condolences to the family. Much love to all of you and thank you for sharing your wonderful Mom with me.
