“ *Pam, Kelly, Amy, and Emily I am deeply sorry for your loss and am sad that I was out of town for the service. I was so afraid I would miss it but please know how much I loved her and think of her. I appreciate all the times I spent with her and all her funny stories. I am glad she is no longer suffering and is renewed. She loved you all dearly and talked to me about what you all were doing all the time, she had a special excitement when she knew her grandkids were coming to visit. I will keep you all in my prayers. “ Pam & family, I knew your mother since she was married to your father and lived on Shearer's Road..would have come to the service had I known..enjoyed talking to her when she was able to come to Southside. It's always hard to give up your mom. The verse that comforted me when my mom went to heaven was 1 Cor, 2:9 "Eye has not seen,nor ear heard, neither has it entered into the heart of man to imagine the things that God has prepared for those who love him."May God comfort you in your mother's homegoing. “ Pam, and all of the family of Betty,We are so sorry for your loss. We enjoyed many good times with Betty and that is how we want to remember her. The service was very sweet and I think she would have wanted it to be exactly the way it was. I know all of you will miss her, but know she is no longer suffering and she is with loved ones in Heaven, and we will all see her again someday.Our love and prayers, Dottie and Royce
