“ *Betty was the dearest and most faithful friend my mother ever had. We all loved her dearly and she was so proud of her family. We talked on the phone several months ago and she told me about her little ones. I am so sorry. Diana McDonald Hyman*

“ So sad over the loss of our dear friend Bet. Spent many hours with her over the years and felt like she was part of the family. Not enough words to say how much she will be missed. Her health is now restored and she is enjoying her loved ones and friends who were waiting on her. Jimmy, Paula, and I will always treasure the fun times we had with you and all the great memories that were made. Until we meet again, rest in peace our dear friend.

“ *Bett...we always enjoyed your stories of the past & there was never a dull moment while visiting you. You were funny & full of spirit & we loved you. I know that you are happy to be with your loved ones again in heaven-hope some of them have some snuff for you or you might not be happy about that situation! I know that Sammy will miss his visits & mowing your grass for you-thank you for being a Mama figure for him since Ollie passed. Guess I will have to buy him ChowChow now-haha! I am happy for you to be free of pain, the struggles with your breathing & fears of falling-you can now FLY! Soar with the Angels & our Heavenly Father. We miss you already...Love you!! Prayers are said for all that remain.*
