“ *Dear Mike, I was so sad to learn of Bev's passing as I was not aware of her illness. I remember how warmly you & Bev welcomed me into your Asheville home, our taking the waltz workshop, and going to the Saturday evening dance many years ago. I have great memories of Charlotte Gypsy dances, Gypsy Meltdowns, and creating t-shirts. It was always a pleasure to be in Bev's company, a beautiful person in every way. Peace & love to you and the family.*

“ Dear Mike and family, Jim and I are saddened to hear of Bev's passing. Bev was so helpful and cheerful in the transition to settling in the house on Westover. You both were such integral members of the wonderful Westover drive community: fond memories and recollections of you both were often a part of neighborhood gatherings. We send our heartfelt condolences to you. Jim Mulrooney & Ricey Clapp

“ I am much saddened to hear of Bev's passing. Her love of music, dancing, movies; enjoying the company of friends and family, the love of putting her personal touches on her home, acts of kindness and generosity; these, I was fortunate enough to observe and experience. I will miss her greatly. My thoughts and prayers are with Mike, and all her family. Gods speed, Bev, to His love & grace.

“ I send my deepest condolences to the family and friends of Mrs. Anderson. Although I did not know her personally, I, too, have experienced the loss of a loved one some years ago and know it is a difficult situation to face. I pray that her family and friends can find comfort in God's Word, the Bible, and continue to rely on Him in prayer. John 5:28, 29 talks about a hope we have of seeing our loved ones again when they are resurrected back to life. What a beautiful and exciting hope that is!
