“ *Words can not describe the sadness we feel. Lynn was an incredible person who's life was cut way to short. She supported my siblings and I in everything we did. She would call and just check in and see how things were going. She would think of us often because anytime that she saw something that we liked she would buy it for us. I am so thankful that she was able to spend the holidays with us the past few years the only regret is that we don't have more memories together. Our lives will not be the same without her but she will never be forgotten. Thank you Lynn for everything you did for my family and I. You are already greatly missed. See you again one day. Love and miss you Aunt Lynn!!!!*

“ I was so sad to hear of the passing of Lynn. We have been friends for close to 50 years, going through 12 years of school together. Even though we haven't seen each other in recent years I have always thought of Lynn as a close friend. She will always be a very special person in my life and I will always keep fond memories of her. I wish I would be able to make it to the services, but I can't. My condolences go out to her family and partner. Rest in peace my friend.

“ My sweet aunt. I feel so empty. Seems everything hit so fast. I keep going over in my head how I wish I would have more memories with you. Although I have many happy memories I feel that they were cut short. You will live on in my heart and I plan to speak of you often and make sure your memory lives on. I love you I just didnt say it near enough. I'm only sorry I couldn't tell you sooner. You are already greatly missed!

“ I am saddened that her life was cut so short Lynn was a great person and an amazing aunt. She supported me in anything I did and always encouraged me to do my best. I'll never forget when she drove for hours just to watch me compete. I can honestly say that out of all of my aunts and uncles I was closest with her, she will be missed.

“ My dear sister is gone to soon. No words can describe how empty I feel inside. Heartbroken & hollow. Lynn was strong, determined & fun loving. Her laughter was music that made you smile. Hard working & loyal with love for her family in friends. I'm missing a part of my heart! Memories is all I have until we meet again in our Heavenly Home. No more suffering & no more pain for you. I will miss you all the days of my life until we meet again. I LOVE YOU ALWAYS!
