“ Mikko ,

I never met your beautiful daughter! I have no words that can even diminish one ounce of your pain. When I heard this story I felt heart broken for you. I hope you still have your faith and that it brings a glimmer of peace that you will see her again. I will pray that you find comfort in sharing stories of her life! I will keep you and your family in my prayers.

“ When I originally heard the news, it didnt feel real. My heart goes out to this beautiful family. Bianca was gorgeous and so, so full of light. She was my CIT in training her last year as a camper at Camp Cheerio, and she managed to write my friends and I for years after. Bianca was so brave to follow her dreams in the way that she did and Ill always admire her despite this tradegy. I cant begin to attempt to understand how this has impacted your family but if its any constellation prize Ill start saying my prayers before bedtime again for all of you. Sending huge hugs, and Camp Cheerio enthusiam. Live, laugh, and love in the way beautiful Bianca wouldve wanted you to. My heart is forever touched by her and Ill continue to look up to her for the rest of my days! Sending endless love + support. It gets better xo

“ Dearest Mikko Red Arrow and family,I cannot begin to imagine losing my baby girl. I can imagine what it is like to lose my father. There is a special bond between a daughter and her father. One that not even death itself can break.You were so strong for my family during the loss of my Daddy. That was the worst time in our lives.For that I will forever be grateful. My heart hurts for you during this season of grief.I wish I could say words to comfort you all and bring you peace. Lean in to each other and may you remember her with love and laughter.Forever grateful Lisa Eidson
