“ *I just loved this woman. She saw in a potential in me that I could not see in myself. She took me under her wing a Draymore and gave me knowledge, poise and self-assurance. I never saw her without a smile on her face. She was beautiful inside and out.* ”

“ What a privilege it has been to have gotten to know such a wonderful, incredible woman as a friend, daughter-in-law, additional motherly influence & such a confident person in who she was. I've learned much from being a part of her family & soaking up all I could from her self-recorded history of everything & everyone Mooresville. I'm so grateful for the memories of all we shared. Always in my heart Billie Francis ♡

“ *Billie was a walking encyclopedia of Mooresville people and places. This made her the perfect fit for the Council on Aging’s South Iredell Senior Center. She warmly welcomed all who came to the Senior Center with true southern charm and grace. Caring and kind, it was a genuine pleasure to know and work with Billie.*

In sympathy,
