“ Years ago, my husband was out of town and I rented a lift to trim some branches from a tree. I was trying to move it to another position but it was stuck. I had no one to call but Alison and she told Billy. He and his brother came right over. Figured out what was wrong and moved the lift. Not only that, but they would not let me back into it. They finished what I had planned to do and suggested, strongly, that I call them if I needed to do anything like that again.

“ *Family:
Billy and I played baseball together for MSHS.
Not only were we teammates, Billy was a
great classmate & friend! Before the internet,
social media and cell phones, we only had CB
radios. I'll never forget his handle "Little Preacher Man". Although I
haven't seen Billy in years, it broke my heart to hear of his passing.
Stay strong family and know that you are in our prayers!*

I called him Uncle Billy and I have worked with him for several years. He was my favorite gardener as well as the one who would bring me apples, tomatoes, or anything he was growing. He would also bring his famous sweet tea or one of Ms. Alison's favorite cakes to our company gatherings. He was such a joy to have around and we are truly going to miss him.....we loved him so much and are thankful for being able to know him---Tonya HIS
