“ *I send my deepest condolences to the family and friends of Mrs. Seaver. Although I did not know her personally, I, too, have experienced the loss of a loved one some years ago and know it is a difficult situation to face. I pray that her family and friends can find comfort in God's Word, the Bible, and continue to rely on Him in prayer. John 5:28, 29 talks about a hope we have of seeing our loved ones again when they are resurrected back to life. What a beautiful and exciting hope that is!*

“ I am so sorry for your loss. Although, I do not know your family personally, I would like to share some encouraging thoughts from the Bible. The Bible provides comfort during these difficult times. Revelation 21:3-4 states, And he will wipe out every tear from their eyes, and death will be no more, neither will mourning nor outcry nor pain be anymore. The former things have passed away. Very soon now, we will never experience losing our loved ones in death and we will be able to see them again once they resurrected as per John 5:28-29. May these words give you a new hope.
