“ *Gene was a one of a kind man. He had passion in all that he did. While the lord was merciful and didn't make him suffer for a long time, he will be missed greatly by so many people. But he is in a far better place. I love and miss you Gene. Maria*

“ *We are so sorry for the loss of your father. Our son Garrett worked with him a few times over the last month. He enjoyed taking care of and just talking with him. We will keep you in our thoughts and prayers.*

“ We are praying for your family. We grew up with the Wright Family. I live in Abbeville, close to Annette. The Wright family was wonderful neighbors. We called them Mama Wright and Daddy Wright. May God Bless each member of your family. Pearl Goff McMahan, Abbeville, SC

“ Thinking about you Michael and Michelle. So sorry I couldn't make it to the funeral. My memories go back to our childhood days when I would come and stay a week with you all. That was the good old days. I can still remember how those peanut butter and blackberry jam sandwiches tasted for lunch. Aunt Vivian and Uncle Gene was the very best. The perfect pattern to follow. Didn't get any better than that. So gentle, just down to earth wonderful Godly parents. I will never, ever forget them. Only if we could be like them. Thoughts and prayers for your family. May God truly keep his hands upon each of you.

“ I am praying for the family and friends who will miss this gentle man. Now he is seeing all kinds of beauty. I think of his garden often as I pass it each day.

“ Gene was one of my fater's best friends. They would often walk together. I can still see Gene and Vivian taking their walks around my neighborhood . I loved watching his garden grow. Gene always had a smile to give and would often share his garden. R.I.P. My friend, you will be missed. Prayers to his family and friends.

“ Gene was my adopted grandfather. He took care of Bruce and I, and after Bruce died, looked after me and the dogs. We would eat dinner together many nights and just talk. He was a skilled craftsman, often making new creations from other people's discarded wood, windows, and shutters! He missed Vivian every day and I can only imagine the reunion they are having. Rest easy my friend, for you are now home.
