“ My wife and I moved to Mooresville a several years ago to be close to our daughter and her family. We had lost our son and were looking to turn the page in life. We moved around the corner from Bobby, although I had not met him yet. But that didn't take long to remedy! I stopped by one day to look at a truck Bobby was selling and he came out to tell me about it. We became friends on the spot. Two nights later I had the privilege of spending the evening in his garage and meeting many of his friends and looked forward to it every week. It was an experience I will carry with me forever. I was a 'stranger in a strange land' and Bobby welcomed me like a brother. When we moved back to Richmond Bobby and I stayed in touch, and I am so thankful we did. When I would talk to Bobby it was like I had just seen him the day before and we were just finishing the conversation. Bobby is one of the nicest people I have ever met, and I seriously doubt I will ever meet another like him. I think God was just anxious to get him to Heaven so he could enjoy his smile and his company! My prayers go out to Bobby, as well as everyone who was part of his life in any way. Yes, he was that special! My heart is broken.

“ I am so saddened by the passing of Bobby. He was such a friendly guy and always had a smile for everyone. I live across the street in Lakewalk and I will sure miss seeing his old yellow truck coming through the neighborhood to check on all of us. He was so sweet to my grandson when he wanted to stop by the farm and feed the goat or the horses. He will be missed by many. So glad I got to know him.

“ Bobby had been good friend since we moved to Mooresville over 25 years ago. Feel like I lost another brother. Many happy times spent with him; he always had a smile; and would always ask what he could do for us. Bobby was a good man and his absence leaves a big hole in the lives of many. Prayers of comfort for Kelly, Corey, Mary Ellen, Christian and all the family.

“ I can't remember a time when I didn't know Bobby Gene. We were classmates from the first grade at Park View to Mooresville Senior High. That ear to ear smile was there at age 6 and continued until his 71st year. When I would see him at the gas station he ran by the Hwy 150/ I-77 intersection, it would make my day. In more recent years, I usually only saw him at class reunions. But it still made my day. He was one of the most welcoming people I've ever known. Godspeed, Bobby Gene. Heaven got a good one...

“ We were fortunate enough to meet Bobby when we moved into the neighborhood 16 years ago. We always called him the neighborhood gate-keeper, since he was so protective of all of us that lived there. He regularly checked in on us and always made sure that we knew we could call him if we needed anything. He was quick to treat us all like we were nothing short of family and shared so many fond memories with us from holidays to graduations and weddings. To know him was to know a big, contagious smile and a heart of pure gold. We will miss him dearly, but know that he is the keeper of much grander gates now.

“ I met Bobby about 5-1/2 years ago when we moved to the loop. We immediately made friends because we both knew Miles Little and enjoyed hot rods, gas pumps and old signs. I enjoyed hanging out once and a while on Tuesday’s “cuttin a little hair and having a couple beers”. He was always entertaining. You could always count on that big wave and friendly smile when you drove by his house. I often thought he should have run for mayor because the man never met a stranger. He will be missed. My prayers are with you all.
