“ *Jeanne, Andrew, Alex and Bethany- our hearts break for your loss. It still doesn't seem real and I miss my daily dose of Bob in the EP lab. He was always one to know the song playing overhead, he always listened to my stories that went too long, and always was there through Shraddha's illness as well. The world lost an incredible soul and I will miss him terribly. Our thoughts and prayers are with you.... Ro, Shraddha, Sunil and Jai Mehta*

“ We send sincere condolences to all the Turner family. Bobby, Debbie, and I grew up together amidst many other cousins way back when. Those were the days of simpler times, no one had heard of cancer, children played outdoors all day long, and each time with family and friends made memories we will never forget. Bobby will forever be one of those memories. Love and Prayers,
