“ *Thoughts and prayers to the family. I am so glad we got to share time with her at the beach last year and made some happy memories. She always had a smile on her pretty face. She was the kind of person who you felt like you had known your whole life, even if you had just met her. Heartfelt sympathy to Mark and the family.*

“ *I had not seen Bonnie in 50 years but would recognize her face anywhere. She was lovely as a young teenager and remained lovely in later years. Bonnie was very good friends with a friend of mine, and we had fun times together. So many times people from our childhoods move out of our lives, but we don't forget them. I have often thought about Bonnie and wondered where she was and how her life turned out. I just wanted to express my sorrow on learning that she has passed away. In my mind she will forever remain a lovely, vivacious young girl. My thoughts are prayers are with her family.*
