“ I am so grieved about Bradd's passing..He was like a son to me..His amazing deep love for his girls was a gift..  
Last time I talked with him, he was happy the work on the house was done. He was content..but ill.  
When I had cancer and going thru agony of chemotherapy...he lifted me up..he visited..he encouraged me to continue..  
He had a heart of gold!!  
Praying for the comfort of the family...  
Especially his dear girls.  
May God dry all the tears of those that mourn him and bring comfort...

“ Brad was one of my "beautiful bad boys" when he was my 7th grade student at Brawley Middle School--class clown, imp & heart-stealer. His charming smile could always get him out of trouble. He was my grandson Logan's very good friend. I'm so very sorry for his family's loss.
