“ *If only you could see your boys today, they have grown so much. They are turning into such amazing young men. We miss & talk about you everyday. I hope you're proud of me as a mother, I've done my best to raise our boys despite all the obstacles. Everyday I think about how different our lives would be if only you were still with us. We love and miss you every single day. Please watch over our boys and guide them.*
