“ We are praying for all of you. Our memories of Brenda are so sweet we treasure them lovingly. Brenda helped me teach Sunday School for children while she was at Concord. We had such a great time with the children and many memories. Such a sweet and beautiful lady, always so neat and lovely in every aspect. There was a time in our lives we could not have made it through without Paul and Brenda's love and support. I can see her sparkling eyes and big smile today as she is whole and walking with our Lord and Saviour. We are grateful for the time we had Brenda and family as God puts people in our lives at special times and and they are the gardeners who make our souls blossom. We love all of you. “ It was a blessed day when I first met Brenda Childers. Her compassion for this newly divorced single mom made a difference in my life. Later, I felt that God had led me to EHBC for the healing offered by Brenda, the Deals, and others. God bless her family as they redefine life in her absence. Happy, good memories are healing angels that will keep her "near". My love to her family.
