“ Dear Gwyn and Jerry, My heart goes out to you both at the loss of dear dear Suzy and it brought back so many wonderful and kind memories of her and the Ken Wood family. We all were the beneficiaries of Suzy's love and generosity and felt blessed by her in the many ways in which Suzy had to make others feel very special. My heart goes out to each of you. Affectionately Sauni Wood, Givens Highland Farms, Black Mountain, N.C.

“Gwen and Jerry, I love and miss you both dearly. Brenda's ears must have been burning her last few weeks as I had an occasion to be at Davidson and had asked if she still worked there hoping for a quick hug! Please know that both of you and your family are always in my thoughts and prayers. I'm so thankful that Brenda is in a comfortable place and that she'll always be watching over you and her beloved Davidson 'kids'.

“Dear Gwyn & Jerry, I know your hearts are broken right now. Brenda was such a sweet lady! (Just like her mama was!) I so enjoyed visiting with her when she came to Mintview on the days she had appointments in Charlotte. She was so kind and always asked about my family. I have no doubt she will be greatly missed but her memories will live on forever. Love you both.
