

Bruce Corbett Paron

October 29, 1952 - June 13, 2022

Bruce Corbett Paron died unexpectedly in Mooresville, NC on June 13, 2022 at the age of 69.

He was born to Robert J. Paron and Dorothea (Athoe) Paron on October 29, 1952 in Niagara Falls, NY.

He was predeceased by his parents and by an infant sister, Yvonne Louise Paron.

Bruce is survived by his former wife Susan Gresham and their sons Robert Mitchell Paron and Russell Allen Paron, all of Mooresville, NC, and by his sister, Barbara Jane Paron of Brownsville, VT.

When young, Bruce moved frequently with his parents, who were involved in the eastern U.S. ski industry. He attended schools in Niagara Falls, NY, Westfield, NY, and graduated from Springfield, Vermont High School in 1970, where he participated on the ski team. He served with the U.S. Army as a communications specialist, primarily in Germany. After attending University of Central Florida and with his degree and background in electronics and computer information services, he spent his career in a variety of companies in New York City, CT, and NC. He also had the opportunity to work in Bermuda and Toronto, Canada. While living in Vermont, he taught skiing and was instrumental in the building of some of the first Alpine Slides that became popular as off-season attractions at several ski areas. A lover of music and guitar playing, he was a member of many bands throughout his life. Even though Bruce's early roots were in snow country, he loved his Carolina life of

sun, water, boats, motorcycles, and party spirit.

“ *Bruce was a man of honor and he was always a good friend to me. His honesty was above all his most prevalent characteristics. I am forever sad to hear of his passing and may he rest in peace. I know now that God has one of the best musicians the world has ever known.*

“ To my Grandsons Robert & Russell:
Firstly, my sincere condolences on the loss of your Dad. He will be greatly missed but never forgotten. I am so happy to have had the time knowing him. but actually I did not realize how talented he was. He did so many things during his life which was so fulfilling. Sadly, I didn't know many of these things until now. I know he has passed on to the both of you all his best qualities. One of my best memories is when we were all together in Bermuda. For me it was my first visit there. Your Dad had a great apartment with a view of the cruise ships coming into Bermuda. I remember him telling me that when I woke up the next morning and looked out the window, I would think a hotel popped up out of nowhere. The cruise ship took up the whole view. It was amazing. Mostly it was a great time sharing that vacation together and seeing how much your Dad enjoyed having you boys there. I wish I could be there for you both and give you hugs, but a virtual will have to do for now. Love you both very much.

“ My Dear Brother,

Even though as kids we never sat still in church, and we missed most winter Sundays to ski, and we missed most summer Sundays to swim at grandma's cottage, I offer you this refrain from the M. Joncas hymn:

*And he will raise you up on eagle's wings,
bear you on the breath of dawn,
make you to shine like the sun,
and hold you in the palm of his hand.*

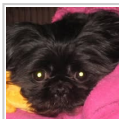

*With Love,
--Barbara*

That's beautiful, Barbara. I am so sorry to hear about Bruce.

Barbara:

My heart is full of sorrow because of Bruce's passing. Where does time go to. Our lives were so full of family when we were young. All the memories... My handsome Uncle Bobby and my wonderful Aunt Dottie who he loved so much. My two cousins Bruce and Barbara who we didn't see as often because they were the ones who left Niagara Falls for Uncle Bobby's job. But, it was always such a joy when you would all come home for a visit. We all grow up and have families of our own and life goes on. I cherish all our childhood memories. I'm proud to have the Paron Name.

*Love to you dear cousin.
