“ I am so sorry and sad to hear of Bryan's passing, my deepest condolences to Perry and Ariel. I remember when Ariel was born how proud Bryan was of her and he talked about her growing up all the time at the office. I worked with Bryan for many years and we must of had lunch together hundreds of times. We stayed in touch after Bryan left Universal and later when he moved on to work at Hanes. We lost touch at some point and, frankly, I had no idea he left Bayside and moved to NC. Simply put, he was one of the nicest guys I ever knew and I am lucky to have known him. He loved his family, friends and definitely playing and listening to music. I wish I could have been at the service to say goodbye to him. It breaks my heart.
My deepest condolences,
Henry Berger
