“ *Bunny traveled to Harnett County for Christian Women's Club as our area rep when we did not have one. She was so lovely and kind and helped us to function as we should. Her travels blessed our area and kept us working well until our position was filled. She really listened to us each one, as I had moved there and missed our home church from Salisbury, Maranatha Bible Church! It was a few years later that I learned she had recommended our church to Jim and Petey Winters, where they came and stayed and became members with us as we did move back to my home after two years away. Bunny was so special to all who got to know her! One day we will all be together again with the LORD Jesus in Heaven forever*

“ Neel, I am so sorry to learn of your wife's passing this week. Please know that many of your classmates are holding you up in prayer at this time. I recall all of the times you were with Robert Brawley and the group. I hope you will be able to attend a future class reunion so we can all give you a hug and support for the future without Bunny by your side. May God bless you and your children. Sheila

“Bunny and I were high school classmate friends. We shared lunch break together on many days. I will remember her kindness and friendship and she will be missed. She was a living example of sisterly love during those days when we were growing up. She had a strong Christian faith and is in heaven rejoicing with the angels. I extend to her family and loved ones my deepest sympathy and prayers.

“Bunny and my mother, Marie, were first cousins, but as little girls playing together and all through the years it seemed like we were the first cousins. Even though we did not see one another often I still felt a close connection to her. Bunny was a lady of many talents and she will be missed. My heartfelt sympathy goes to all her family.

“ Bunny was the "mother" of our church for many years. One of my favorite memories was seeing Bunny dressed up in a bunny outfit (from head to toe) standing at the door of the church to greet everyone on Easter Sunday. She will be greatly missed but I am so glad that she is now with Jesus.
