“ *Alex and I were childhood friends as our fathers worked in the same flour mill in Mt. Ulla. He was about 3 months older than I and consequently we were in different graduation classes.at Mt. Ulla High School. A better athlete and much smoother with the girls, he was my idol. We last saw each other probably in the 70's when he came through and we played golf at a local club.You children should treasure the memories of him*
