“ *David and family, You and Carlene have always been special friends and family to me and I have prayed Gods blessing for you and your church many times as I pass your church sign on the road. My heart hurts for you today but I also know that Carlene is one more reason that I look forward to eternity in heaven. I love you and will be praying for Gods grace and peace for you and your family.*

“ *There are no words to describe the pain I am feeling. I miss you Mama!! I know I am being selfish because I want you here with me..but I know you are in a better place. There is a hole in my heart now that will never heal. I Love you ...*

“ Our deepest and sincerest condolences to the family. Words alone can not ease the pain when grieving the loss of a love one. The Bible provides comfort during these difficult times. Revelation 21:3-4 states, "And he will wipe out every tear from their eyes, and death will be no more, neither will mourning nor outcry nor pain be anymore. The former things have passed away". May God give you and your family comfort in your loving memories and in His promise that soon we will never experience losing our loved ones in death and we will be able to see them again once they resurrected as per John 5:28-29. May these words give you a new hope, with deepest sympathy and warmth of heart.
