“ Never thought in a million years I would not be attending your funeral. But I thank you so much for letting me be apart of your life for 20 plus years. We have shared so much. Laughed so much and even cried. In my heart we will always be the 4 amigos as you called us! ( Diana, You, me and Doug). You have been apart of my life during some hard times and some good. From Doug giving me my engagement ring on a cheese stick to the death of my dad. I could always count on you. I have missed you so much. But now I have no worries cause I know your pain free and back with Uncle John, Lynn and Diana. I also know if there is being in heaven thats where we will find you. Doug and I thank you for loving us and making memories with us NO One will EVER Take!!! RIP Auntie Carol we will see you again!!!

“ Carol was so much more than she thought she was. She had a great sense of humor and she cared passionately about doing the right thing. We became very good friends. We came from such different backgrounds and sharing our life experiences with each other made us laugh and cry. From the beginning she never forgot her God. She was the one who blessed me and others who came to see her and take care of her with joy, friendship and love. Thank you so much Robin and Kyle for your amazing care for Miss Carol.
