“ I will forever miss my Aunt Carol. I always had a great time when we got to see her and Uncle Bob. I have a ton of memories with them especially from when i was little. Lots of fun vacations down south and so much fun when they were here in CT. I absolutely loved her great laugh and the family will miss her dearly. She was always very good to me & I will never forget her. My best wishes and condolences to the entire family. We love you Aunt Carol. Love- Jay, Dana, & Luciano.

“ I can't say I've ever met a more dedicated mother and grandmother. We all have such fond memories of spending time with you in both Florida and North Carolina. You were such a great source of strength and support when I first adopted my children. I can't thank you enough for welcoming us into your family and making us feel so loved. You will be so greatly missed, but you've left such a loving impact on all who loved you. Max, Melanie, Maureen and Madison, we are here for you and love you guys all very much. Remember the lessons learned and the wonderful time spent together. You've got so many memories to treasure. xoxox
