“ Mom - I want to thank you for guiding me through this thing they call life. Words can't express how deeply I love and miss you. A piece of my heart is missing and can never be replaced. I made you promises to take care of the family and everything you hold dear, and I will. I hope you are dancing in heaven and watching over us. You are my hero, mentor and a person I am proud and honored to call Mom. Until I See You Again - Love you always and forever to the moon and back - Kim
