“ Carol, I met you at our job with the Dept. Of Assessment. You were very friendly and kind. I will always remember your wonderful laugh! My favorite memory of you was the day I pulled into the parking lot one morning to see you standing outside your car, laughing so hard. It was a printout of funny things to say in an elevator! By the time we reached the building, we were both laughing so much. It was through you that I met your sister Terry who became such a wonderful friend. To Carol’s family, please accept my condolences. My heart goes out to you. Love, Kathleen Gallagher.
