“ *Dear Jack and family, Please know you continue to be in our prayers. We pray God will comfort your heart as only He can. Carol was such a lovely lady in every sense of the word. She seemed like a long time friend the first time we met. We also pray God will be with you Jack when you feel lonely without your companion. No one can fill that void, but God will help you through the lonely days and nights. It is a consolation to know someday we will see our loved ones again. Praise the Lord for that wonderful promise.*

“ I just want to express my deepest sympathy to you Jack and family. Carol was my dear 1st cousin, and her life living for Christ blessed me so. Knowing I will see her in eternity is our hope, and where our peace comes from. Carol was such a blessing to us all, and a beautiful woman of God. My prayers are for her precious loved ones remaining, that her greatest hearts desire would be to spend eternity with in our Lord's presence. Much love, and sympathy,
