“ *I send my deepest condolences to the family and friends of Mrs. Andruzzi. While no words may ease your pain, rest assured that the pain we feel won't go on forever. John 5:28, 29 talks about a hope we have of seeing our loved ones again when they're resurrected back to life. Once resurrected, they can enjoy the promise found at Revelation 21:4 which speaks of a world in which death, tears, mourning, and pain have no place, for "the former things have passed away". Please visit our website at jw.org if you want to learn about this beautiful hope and more.*

“ It is hard to believe that Caressa is gone. I grew up with Caressa going to school with her and singing along beside her in Ensemble at North. She was always smiling and laughing, always seemed full of life. My prayers and thoughts are with the family.

“ You will be greatly missed by so many people. Your smiles and love for what you did for your patients creates a hole in the the lives of so many patients and coworkers that you touched. The world has lost out on a truly sweet soul and it will never be the same without you.

“ Carressa you were a beautiful angel and your smile lives inside those who were lucky enough to know you. We were lucky enough to know that smile, your sweet caring heart, and your fun free spirit. We know you are in God's arms now and watching over your loved ones. We send our deepest condolences to the family and friends, may you find comfort in these verses: “So do not fear, for I am with you; do not be dismayed, for I am your God. I will strengthen you and help you; I will uphold you with my righteous right hand.” Isaiah 41:10 The Lord gives his people strength. The Lord blesses them with peace.” Psalm 29:11
