“Cathy has been a part of life for me since I was a little child....she is in all my memories of family gatherings, she and Steve together always - always! So very many happy days that, little by little, will rise up from the depths of memory and bring a smile - or a tear. The most treasured of which is the steadfast, dedicated, and deep love Cathy and Steve had/have for each other. I have always said they were/are such a picture of a loving couple - it touched my heart so much - always, from those early, dating days and newlywed-dom, and even more as they brought you two beautiful babies into their nest.

I'm so grateful for the time Cathy and I got to share together, while we both lived in Mooresville. Like two girlfriends, we would meet for dinner often and "shoot the breeze." It was nice to see her, finally, as more of a peer than as a woman of another generation (those 10 years shrink to insignificance with age!) - and it was great sharing time as two "singles."

I'm not sure if anyone knows that Cathy helped me in the time when I decided (with very mixed feelings) to move North again. But she did, and she was happy to, and I was grateful and will always keep that in my heart, too.

I send love and blessings to Cathy, Tammy, and all of you "kids," and family. Cathy will be in my heart and mind for always. I'm happy to think that those two lovebirds may be together again - dancing!

💕 always, Aunt Patti
