“ *Joe, Ricky, and Chad, I'm so sorry to hear that Cathy has passed. Anyone who knew her had to love her. When I think of her I catch myself smiling because I remember some of the funny and unusual things she did. She had such a wonderful and fun personality, always smiling and ready to go. I know your hearts are breaking and you miss her but your Mom is now happy and free from pain. She will always be with you because her memory will reside in your hearts forever. God's peace and blessings on all of you, Love Aunt Margaret.*

“ Terry and family, Prayers and thoughts for you. Always thought a lot of her! Cathy always had time to speak to you and spend a little time to catch up. Last time I ran into her she was facing challenges with her health. Just very sorry she had to deal with so much. God is holding her now in a better place!

“ *My heart breaks for the loss of my friend.  
I am so glad I got to know you. We are definitely going to miss you during volleyball season. Our cheerleader, our ball girl sometimes our referee and always a great babysitter.  
The love you shared with your boys is remarkable. Truly the definition of great love.  
I pray the boys will find comfort knowing how much you loved them and without a doubt you knew how much they loved you.  
Also the bond you shared with Terri, every sister would love to have that.  
So my friend till we meet again. I'll think of you often especially when I make a buttermilk pie.  
Love you.
