“ Joe, Please know that I'm broken hearted for you. I'm very blessed to have known Chandra and you because of a special little girl named Stormy. I'm sure Chandra has a special job in Heaven loving all those dogs who are waiting for their loved ones. I'll keep you in my prayers for God to help you through a very lonely time. If I can help you with Stormy, please let me do that for you. We're all sending you hugs.

“ Joe, I bright light has gone out. Chandra had so much life, I often wondered how her body was able to contain it all. Her kindness was only matched by her big heart for others. I always enjoyed her company, though unpredictable times. She would say something wild then laugh real big! She was one of a kind. I pray the God of Peace will reveal himself to you during your time of sorrow.
