“ *He and Adie knew each other for over 45 years. They found each other again and resumed their love a couple of years ago. They were very much in love and committed their lives to each other. Wonderful love.*

My relationship with Sammy grew much closer in the last few yearsas his sister I saw a happy man and a man very much in Love with his girlfriend Adie whom they where committed to each other for the rest of their lives ...I am grateful to the many times I had with them and the closeness we shared as a family . I will treasure in my heart that I had a brother Sammy , who I saw became happy in his life and to have the Love of his life before he departed Earth . I felt Happy for him ,and it was a joy to see him feel excited about life ! I am going to Miss him so much!!.....my tears come from deep emotionsI " think Sammy" would have wanted his family to embrace each other with Love, compassion for each other in our mistakes , and forgiveness !!. God give us PeaceCathy his sister
