“ *I had the pleasure of working with Chaz for a short period of time when working in Statesville. I also worked with Chuck they were a great team together. I had no idea that Chaz was such a special young man no one ever told me. You are so missed! My heart is with you Chuck.*

“ One of my fondest memories is driving down Brawley School Rd, and seeing Chuck and Chaz riding down the road on a tractor/mower. They both had big grins on their faces. And Judy, what a wonderful mother you are. Chaz brought so much love and joy to everyone. Your loss is wrenching and huge. Know that our love and prayers are with all of you...his immediate family, his extended family, and his friends. And my comfort is that he is at peace, and with his family in heaven. Love and prayers from all of the Collias family.

“ I remember taking Chaz to one of the first Panther games played at the Charlotte Stadium. He was a special young man and to this day, I feel bad that I had parked so far away from the stadium. When we finally got there, his face was red and he was profusely sweating but had that wonderful sweet smile on his face as we walked to our seats. Chaz, Tyler and Seth had a great time at the game and Tyler and Chaz remained friends to this day. His face and smile on that day is indelibly etched into my memory. Our hearts ache for your family. May you find some semblance of peace in this difficult time.

“ We are broken hearted and our thoughts and prayers are with your family. My boys were friends with Chaz since elementary school, but I'll always remember him as that red faced kid on the baseball field. Man could that kid run!! Win or lose, he always had a huge smile and his happiness was infectious. May the memories of that smile bring you comfort and peace!

“ *My heart is breaking for you all, each of you are in my prayers. I have so many wonderful memories of Chaz and your family with my kids growing up. Chaz was probably one of Michael's first friends when we moved to Mooresville, and being put on Chaz's baseball team- what a fun time! I will always remember Chaz for his incredibly sweet smile, all the way up to the last time I saw him about a month ago, his funny sense of humor, loving to goof around, and his politeness. I loved him, one of my favorites. I pray that You will be comforted by God's love, strengthened by God's almighty strength, and feel the love of all those who are praying for you.*
