

## Charles William Crowe Jr

June 30, 1961 - June 15, 2025

It is with heavy hearts, we announce the passing of Charles William Crowe Jr. (Charlie), 63, of Sherrills Ford, NC, who died on June 15, 2025. He is now celebrating in heaven with our Lord Jesus after an accidental drowning in Lake Norman.

Charlie was born on June 30, 1961. He was the son of the late Charles William Crowe Sr. and Betty Jean Crowe. After high school, Charlie entered the workforce and began a long and very successful career, which started with Eastern Airlines, and most recently, Travelport.

Charlie always had a passion for sports and social activities. As a young adult, he loved playing men's softball in various leagues and participating in numerous tournaments. He enjoyed fishing, especially at Santee Cooper Lake in South Carolina with lifelong friends. In the last few years, he had grown to love tennis and played with loved ones, friends, and on a competitive level.

Charleston and Hilton Head, SC were also on his list of favorite places.

If Charlie wasn't playing tennis, then he was on the lake. Lake Norman has been a part of his life for over 40 years, beginning with a family cabin in Mooresville, North Carolina. He enjoyed boating and water skiing every weekend. The lake was his happy place and his haven. Charlie loved entertaining and hosting family and friends all summer long. He was always out on the water with his lake family, whether he was cruising on the pontoon or floating on pool noodles.

Our beloved Charlie was a devoted son, an amazing brother, a loving

husband, the best "Uncle Chachi", a supportive stepfather, and the best friend anyone could ever hope for. He will be greatly missed.

He was preceded in death by his wife, Christine Crowe; and sister, Genny Crowe.

Charlie is survived by his sister Brenda Frazier (the late Tom Frazier), his nieces Addie Cogdill (Jamie) and Erin Cook (Brian), great nephews and niece Jaxon, Landen, and Ally, his step mother Jane Crowe, his step daughters Alexandra Davis (Klayton) and Dr. Jordan Nolan (Ali); his beloved granddaughter Blakley Davis (Ruffle Butts); and several other nieces and nephews.

A celebration of life will be held at 1:00 p.m. on Friday, June 27, 2025, at Cavin-Cook Funeral Home in Mooresville, NC. The family will receive friends before the service from 12:00 p.m. to 1:00 p.m.

“ Just wanted to express my condolences to the family of Charlie. I first met Charlie many years ago when we both worked for Eastern Airlines. Years later our paths would cross again when EDS/HP came along and the two airline computer centers we respectively worked for joined together. After that Charlie left and took a position with another Computer Center, but all the time when we had occasion to communicate, it was like time stood still. To meet Charlie one time and work with him was to have a friend for life. He was a kind and gracious person, full of life and always with a ready smile and joyous conversation. Sending prayers your way as you go thru this time of grief and praying God provide the comfort only he can give at this time of your loss. - Donna Achin

“ In 1987 , had a job interview with Piedmont Airlines, and the start time of my interview was delayed, because my future boss was working a computer issue for a couple hours. Charlie stopped by to see my future boss Dale B. and we had a visit on everything.

Two years ago at 2:30am working with Charlie on a software issue, Charlie informed me that he encouraged Piedmont Airlines / Dale B. to hire me. Did not know that occurred.

Charlie, Thank you for your recommendation to Piedmont Airlines and Dale B. to hire me and start my airline career. Will miss you a bunch !!!

“ Charlie was the kindest man that I have ever known. He was generous, respectful, loving, dedicated, and so accommodating. Anyone who knew him, will know what I am saying. He has touched so many lives in his workplaces, churches, neighborhoods and his sports activities. He was always that person who could listen quietly and be your support in a serious situation...and he could be that person who made you smile and laugh for hours. My heart goes out for Brenda, Addie, Erin, and the children. Charlie has been loved tremendously by many and will be missed forever.

“ 1985 was a very very good year for Paula & me that was the year we moved to Winston Salem , North Carolina for me to start working for Piedmont Airlines. Because of that we meet Charlie, it wasn't long before we became not only best friends but family. The memories of the those times will live on with us as the greatest times.

*If in your lifetime you met Charlie consider yourself lucky, and Paula and I consider our selves VERY VERY LUCKY.*

“ Charlie was a great guy.  
*I worked with Charlie at Piedmont/US Airways, he was very professional and personal at the same time.  
I can remember when I had my gallbladder removed he came to the hospital and chatted for 2 hours with my husband.  
I loved and will miss Charlie but I have peace in knowing he was a good Christian Man.  
Charlie, go get your Crown, you earned it, don't forget to meet me at the pearly gates, love you Buddy.*

“ I always remember Charlie as the nicest programmer I ever called for an issue...He was gentle and nice, almost apologetic, even though the issue was not caused by Charlie or his code. He was always a joy to speak to and I could always tell he was genuine and authentic in his caring manner. I missed him when he left the company and will continue to remember Charlie fondly!! Godspeed my friend - we WILL meet again!!

“ My sincerest condolences on Charlie's passing. I've worked with Charlie for almost 20 years, and he was great person to work with who genuinely cared about the people around him. Charlie's work was with the airlines and the TPF operating system, and it brings some comfort that we got to see Charlie at our user group meeting this past May, catch up, and share some laughs with a truly wonderful person. We will miss you Charlie.
