“ Was shocked to hear of Chuck's passing. Always thought he would out live me! I worked with Chuck for almost 20 years at TE. I had lots of conversations with him during his other health issues. He was one of the smartest persons that I have ever worked with. We enjoyed lots of fun times while at work. We also had lots of fun outside of work. He was really proud of his Chevy and enjoyed riding it everywhere. He was proud of his time spent in the Navy. That's why I addressed him as "Admiral" most of the time. We enjoyed ribbing he about his antics in the Navy. Since his retirement I have kept in touch often and got to listen to him brag about Steve's family especially his grandkids. Chuck was a great friend and I'm sure he never met a stranger. He could discuss any subject with anyone. He was a great and very talented artist. Only person I know that could draw with either hand! He was really good at drawing cartoons for his co workers. Going to miss Chuck!!!  
Prayers go out to his family.

“ I was so very sad to hear that cousin Chic passed away, Prayers are with Ronda and family. Even though I was younger than Chic, I have very fond memories of Chic when visiting us in Altoona from Meadville, PA. Chic would come to our house and play his favorite songs on our record player, one in particular, "who wears shorts shorts". Chic had a great sense of humor and never met a stranger, I will always remember those qualities about him. My prayers are with Ronda and family.
