“ My heart, thoughts and prayers to the family of Ray Dorton. So good of people So much I could say, however will briefly comment. I met Ray & Lura ,46 years ago and later a very young LeAnn, and Chuck. Ray was our fire Chief at(then)Centenary Vol Fire Dept, in 1979. Such a kind decent, patiently leader, who encouraged me at 18, built me up for my future. Serous or jokingly, that big smile, calmness he had it in spades. Sometimes I thought he was sort of like Andy ,and I questioned myself alittle like Barney Fife. I grew in that, later on would also work at Lowrance Hospital as a Security Officer, where Lura was in nursing. Ray just was just a good fellow, I can't put it into words. One of the times I saw him many years later at grocery store once, we just picked up where we left off. Ray put an impression guide on my life. I will always remember Ray. Ray Dorton will be deeply missed.

“ *Ray was a friendly and kind man. Excellent grandfather and uncle. He was great at grilling out and I loved the cookouts and potlucks he and my Aunt Lura hosted for our family. It was a lot of work, but they never complained and were always gracious! The hardest part about getting older isn't the aches and pains, it's missing the one's you love when the Lord calls them home.*

“ To the Dorton Family, I can think of many good memories with Ray going way back to some of Centenary’s Scouts BBQ (fund raisers), However, one memory just happened this past Sat., as he told me of a recent mishap that he had experienced. As per his character he laughed it off, and I will forever giggle when I think about him. Ray you surely will be missed! Love and Prayers for Lura, and the whole family. RIP Ray

Uncle Ray was one of a kind. He was such a giving and loving person. When our family gets together, we usually have a cookout. Ray always did the cooking and made sure everyone had plenty to eat before he would finally have his turn to eat. Ray and my Aunt Lura had such a loving relationship. I pray that my Aunt Lura will be able to continue to be happy by remembering all the wonderful years they had together. Uncle Ray, we will miss you so much.
