“ So sorry to get this news! Ed was one of the finest people. Always a gentleman, Ed made the legal profession and those around him better. It was a pleasure to deal with him--personally or professionally. In this world of electronic communication, Ed insisted on handling our matters by phone. In those calls, he always took the time to ask about my family and me. He genuinely cared and will be missed.

“ I hadn't seen Ed since we graduated from Law School together in 1985, but he was always a good guy and a gentleman. We argued for hours about whether or not professional wrestling was a serious sport! Sorry to hear he's passed.

“ My deepest condolences go out to the Lyons family. Ed was a great mentor and a great friend of mine as I was learning about bankruptcies. He spent many moments bragging on his girls, talking about wrestling and Lee's Famous Recipe chicken. He will be missed by many, but I am a better person for having known him. My prayers are with your family during this time.

“ Terry, Taylor, Lauren, and Michele I am so sad to hear of Ed's passing. Though most of our time was spent together in the 90's I will always fondly remember the pay per view wrestling events at your house, flea market shopping with Ed, and helping him coach basketball years ago. I enjoyed his humor, wit, and intellect very much. He was a kindred spirit. I am blessed to have known him. May God give you comfort and peace.

“ I was so saddened to learn of the passing of Eddie. I was his history teacher at Hibriten High School and remember him as a student very interested in history and politics. Though I had not heard about him in quite some time, I am so happy to know that he continued his interest in politics and was active in that area as well as civic and community service. I offer my sincere condolences to his wife, daughters, mother Rachel, and sister Kathey. Eddie was always a polite and cooperative student. I will always remember him.
