“ Linda and family....I was so sorry to hear that Chuck passed away. He will be missed by all of us from FTO. I remember when I started at Romeo he appointed himself my big brother and protector until I was tough enough to handle myself in the plant. He was pretty good at it....protected me from a phone call one day...but a few times failed miserably at it. I never knew anyone else who could snap fingers as loud as he did. I will miss him dearly. “ My condolences goes out to Mrs. Linda Eichhorn and the family. Charles "Chuck" helped made my job easy tending to Mrs. Linda's needs. They always made me feel welcomed during my home visits. He was a great man. His passing saddens my heart, but I do believe when one soul is absent from the body is when their soul is present with the Lord. Mrs. Linda don't you worry his earthly body could not take care of you anymore on earth, but his spiritual body will watch over you and pick up the slack. Family please call me if you need anything. Peace , comfort and blessings.
