“Dad loved this hat- My Uncle Dee had one that he admired - so I found one for him! He was proud to be a Vet and I wish he had been able to connect more with other Vets. That would have been so great for him. But, now he truly has what he needs in heaven. I am away from home and will hold a private ceremony - he once told me to play U2 - In The Name of Love - for him when the time comes. So, that's what I will do - forever - Brenda Gambill
