“ *My condolences to the German family. Charlie was not only a teacher and coach to me, but also a mentor and friend. I worked under him at the start of my coaching career and his guidance was invaluable. I am still coaching today and was very fortunate to have him there in the beginning. I will always remember him as a teacher, coach and the boss.*

“ Dear Jeannette: Charlie was my friend, HS classmate and teammate, I loved being in his company every time we were together. We shared many memories together. He was a special guy, whom everyone that new him loved and admired him. I will miss our times together. I think in life we are all just walking each other home. I am very happy I was part of that walk with Charlie. May he Rest in Peace. Warm regards, Tom Lukish and Dolores
