“ Heartfelt sympathies to Debbie, Hope and Erin and the extended family. Here is a throwback photo of many of the Spaine cousins from the early 1960s. Dale front and center, smiling. That is how I choose to remember him. A life well lived.

“ *yDale was my good friend from elementary to 9th grade. So many fun memories with Dale. "Turfing" in creek near park building tree house on woods, fishing at gravel pit, local pond, and even creek back before it was dredged. We also took a "Tom Sawyer" like homemade rafting trip down a flooded creek, throwing our raft into the water which was running over the bridge. It not for an unknown stretch of barbed wire across creek about a mile into our adventure, plan was to ride the creek to the Catawba River then down the river wherever the flood waters took us. Baseball, swim team, basketball, Saturday nights at the Web and many others memories with Dale, I'll always fondly remember. Her 2as a very special guy that everyone liked. See ya on the other side my friend !!*
