“ *I send my deepest condolences to the family and friends of Mr. Parker. Although I did not know him personally, I've experienced the loss of a loved one some years ago and know it is a difficult situation to face. I pray that his family and friends can find comfort in God's Word, the Bible, and continue to rely on Him in prayer. John 5:28, 29 talks about a hope we have of seeing our loved ones again when they are resurrected back to life. We can be confident in that beautiful and exciting promise, and may it bring you hope and peace!*

“ Eddie, You will be missed by your family and your Florida Cousins. We had a lot of good times with your family and ours at the lake and you guys coming down to Florida, I remember you being the youngest cousin and we had to always let you hang out with the older cousins. Eddie is in heaven with Uncle Don and he is looking down smiling. He had a great faith in God! Say hi to all our family members and we will see you soon. Your Cousin Blake!

“ I am so shocked to have hear about this. I have no words to express my sympathy. Just know that I will keep your family lifted up in prayer. God Bless you all!! I knew Eddie back when my family lived in Mooresville in the early to late 70's. We played baseball and basketball, together. Eddie was a good Friend, as he was to many. He will be dearly missed.
